# Your Recorder Says

"There's no doubt that you get mighty tired of hearing the usual holler about dues; in fact, he gets tired himself, but what can he do? The Temple only gets \$4.75 out of the \$7.00, the Imperial Council gets two bits, and the Crippled Children's Hospital \$2.00; and, listen: the Crippled Children's Hospital assessment must be paid in advance for all members on record the first day of the year; thus you will see that your Temple has to dig up \$30,000.00 and wait to be reimbursed by degrees, or till all those 15,000 members have paid their dues for the current year.

As to petitions — just s'pose every Noble figured that the other fellow would get the petition — it's a mortal cinch there wouldn't be many ceremonials. The only way to secure them is go after them yourself, then you know there's going to be a Ceremonial.

## To the Nobles:

"Forget the slander you have heard;  
Forget the hasty, unkind word;  
Forget the quarrel and the cause;  
Forget the whole affair, because  
Forgetting is the only way.  
Forget the trials you have had;  
Forget the weather if it's bad;  
Forget the knocker—he's a freak;  
Forget him seven days a week;  
Forget to even get the blues,  
*But don't forget to pay your dues.*"

## SIGN YOUR CARDS

On receipt of your Shrine Card always sign it immediately. If it should be lost or stolen it cannot so readily be made use of by an imposter. When you see a Noble's card unsigned tell him about it. The Outer Guard also has been instructed not to admit a Noble with an unsigned card.

## LOST CARDS

Another serious problem presents itself — the loss of Shrine Cards from lack of care. In many cases they fall into the hands of the profane, who temporarily adopt the name of the owner and use the card to work the Nobility for loans, cashing worthless checks, etc. Hold tight to your card.

## CHANGE OF ADDRESS

When you change your address let the Recorder know of it in plain, simple language. Do not expect him to infer that you have made such a change from any other circumstance than a plain, simple statement to that effect. The Recorder will not make any such changes unless you tell him to do so.

## FEZ

The Fez is the official headgear of the Shriner and should be worn at all functions of the Shrine.

## VISITORS

When you see a Fez with the name of another Temple on it at any of our Ceremonials, greet the wearer; give him the "glad hand," and show him around. You'd expect as much if you visited another Oasis. Visitors are always welcome with the necessary credentials.

THE RECORDER has a number of 1924 CARDS on hand and calls your attention to the law: *No Noble may owe more than two years' dues.* Take due notice and govern yourself accordingly.

## FOR ALL CRIPPLED CHILDREN

The Shriners' Hospitals and mobile units are open to every crippled child, without restriction as to race or religion, subject to the following requirements:

The parents or guardians must be financially unable to pay for its treatment.

The child must be not over fourteen years of age, of normal mentality, and there must be reasonable hope of materially aiding the child's condition through orthopedic surgery.

Applications may be made through any Shriner, the officers of the nearest Shrine Temple, or directly to the chairman of the Governing Board of the nearest hospital. Admissions are directed by the chief surgeon, and applicants will take their places on the waiting lists.

A directory of the hospitals, pictures of children before and after treatment, and other detailed information not included in this account will be found in the booklet, "The Temples of Babies' Smiles," a copy of which has been sent every Noble of the Shrine through the Recorders of their Temples.
